

## HOW WOULD I USE THIS MEDICINE?

Interpret the following instructions for use:

### **1 tablet as required 1-3 times a day for pain.**

What does “as required” mean? Should you take the medicine regularly every day? How many tablets do you take at once? How many times can you take the medicine during one day?

### **1 tablet 2 times a day on an empty stomach. Complete the course for ear infection.**

How many tablets do you take at once? How often should you take the medicine during one day? At what time of the day should you take the medicine? What does the instruction “on an empty stomach” mean? What does “complete the course” mean?

### **1-2 tablets 3-4 times a day. For 5 days for back pain**

How many tablets do you take at once? How often should you take the medicine during one day? What is the maximum amount of medicine you can take during one day?

### **1-2 doses 3-4 a day as required. Quick-relief asthma medicine**

Is the medicine used regularly? For how long? Is the medicine used every day? How many doses can you take at one time? How do you time taking the medicine? What is the maximum amount of medicine you can take during one day?
